The *ALLIED FENCE* Advantage

About Our Company . . .

ALLIED FENCE has been proudly serving Austin and the Surrounding area since 1950. Through quality customer service and a knowledgeable staff, Allied Fence has been able to become one of Austin's best choices in fencing.

CHAIN LINK—Residential, Commercial & Temporary

Chain Link fencing is the most economical, durable and maintenance free type of fencing. Chain Link fence comes in traditional galvanized steel or vinyl coated with colors such as green, black and brown. Chain link fencing also comes in a variety of diamond sizes to be used in different applications.

WOOD FENCE—Privacy, Shadow, Horizontal Picket, Spaced Picket, Custom & Metal Post

Allied Fence offers many styles of quality wood fences that can add security, value, beauty and privacy to your property. Wood fences can be constructed out of various materials to offer the best functionality and economy for your needs. All wood fences are offered in many various heights and sizes. Allied Fence recommends sealing or staining all wood fences after installation to prevent rot, insect damage and warping.

IRON FENCE—Pressed Spear, Extended Picket, Flat Rail

Ornamental iron fences can come in a variety of different spes and details. Traditional iron fences are general made out of black steel and constructed on site.
