About Our Company

Gilbert Limon, Jr. first started working in the family business with his father in his grandfather's hauling & transportation company, Frank Limon & Sons, when he just was 17 years old. His grandfather's company was the first TxDOT certified DBE company in the state. G. Limon Trucking has been in operations for over 10 years since Gilbert Limon, Jr. decided to start his own company in 1997.

Core Business

The company provides hauling and transportation services for a broad area of the construction industry in the Houston, Dallas-Ft. Worth, San Antonio and Central Texas Region.

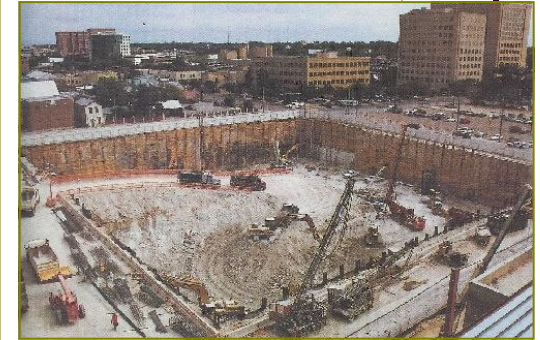

Highways, Commercial Developments, Water & Wastewater Utilities & Transportation Infrastructure, Public or Private, Heavy Equipment and Supplies, no market is too large or too small.

Assets & Qualifications

The G. Limon Fleet is ready for action with 18 Wheelers, Flatbeds, End Dumps, or Tandems, whatever the project requires, the company's licensed CDL, Class A or B drivers are fully insured up to \$5 Million in coverage.

Company Growth

G. Limon Hauling has recently expanded is offering of services. The company now offers limited Excavation Services for small projects from septic fields to slab foundations and commercial & residential landscaping design and installation.
